

THE Sustainability Impact Rankings 2027 | Criterion 17.2.5

17.2.5. Collaboration with NGOs to Tackle the SDGs

Mahatma Gandhi University of Medical Sciences & Technology (MGUMST), Jaipur, collaborates with non-governmental organizations (NGOs), charitable trusts, foundations and not-for-profit professional societies to advance the Sustainable Development Goals (SDGs) through **student volunteering**, **research programmes** and the **development of educational resources**. In 2025, these partnerships – many of them formalized through Memoranda of Understanding – reached senior citizens, children with cancer, mothers and newborns, persons with disabilities and health professionals across Rajasthan, India and abroad.

Collaborative Research and Policy Development

MGUMST partners with research foundations and professional societies on critical health challenges such as **childhood cancer**, **blood disorders**, **healthcare quality** and **mental well-being**. With the **INPHOG Research Foundation**, the Department of Medical Oncology maintains a Hospital-Based Cancer Registry and follows up children with cancer and haematological disorders, generating **evidence for better treatment outcomes** (SDG 3). With the **Rekhi Foundation for Happiness**, the University is establishing the Rekhi Centre of Excellence for the Science of Happiness for research and teaching on well-being.

MGUMST faculty also contribute to **national and international guidelines** of not-for-profit scientific bodies. In 2025, Prof. Hemant Malhotra co-authored the **2025 European Leukemia Net recommendations** for chronic myeloid leukemia and three **ISMPO national guidance documents** on breast cancer, and Dr. Karan Raj Kumar co-authored the **APASL 'Kyoto Consensus'** on acute-on-chronic liver failure, helping to set evidence-based standards of care.

Community Engagement and Student Volunteering

MGUMST's collaboration with citizens' associations and charitable organizations extends to **community-focused programmes** in which students and faculty volunteer. With the **Senior Citizen Forum, Jaipur** and **Ajitgarh Nagrik Parishad**, and with **Infant's Paradise Shiksha Samiti**, Mahatma Gandhi Physiotherapy College held **free health check-up and blood donation camps** for senior citizens and local residents (SDG 3, SDG 10).

With **SACTEM** and Rapido, faculty and residents of Emergency Medicine trained bike-taxi captains in **CPR and first aid** as community first responders, and with the **Indian Academy of Pediatrics** and **National Neonatology Forum**, students supported **breastfeeding awareness** for mothers during World Breastfeeding Week. These efforts build **social responsibility** among students while advancing SDG 3 and SDG 5.

Through the **Jaipur Swasthya Charcha** public lecture series, MGUMST experts also hold health sessions with civil-society organizations – for example, with the **Disha Foundation** on specific learning disorders (13 May 2025) and with the **Lions Club Ajmer Shaurya, Jain Shwetambar Samaj, Aggarwal Samaj and Ajaymeru Press Club** on elderly health in Ajmer (20 December 2025).

Development of Educational Resources and Capacity Building

MGUMST works with NGOs and professional societies to create **training modules, webinars, CMEs, conferences and publications**. With **Tata Trusts**, the College of Hospital Administration developed an online resource on **sustainable healthcare supply chains** (SDG 12). With the **Indian Association of Physiotherapists**, MGPC hosted **Neurophysiocon 2025**, where a conference souvenir and a **textbook** were released. Programmes with the **Indian Academy of Pediatrics** (IAP-CPR training), the **Jaipur Society of Anesthesiologist's**, **IACTA**, **INSHLT** and **CAHO** trained health professionals in life-saving and quality-of-care skills (SDG 3, SDG 4).

Shared Learning and International Collaboration

MGUMST's NGO collaborations extend beyond national boundaries. Through **Sarva Yoga International (Italy)**, the University hosted an Indo-Italian yoga symposium; faculty shared cancer and surgical care expertise at **VASEL 2025 (Vietnam)**; and the University joined the **Asian Association of Transfusion Medicine** ERASMUS project for training and research in safe blood transfusion. These collaborations promote **knowledge exchange**, **joint research** and the **adaptation of international best practices** (SDG 17).

Conclusion

Through sustained collaboration with NGOs, MGUMST combines academic and clinical expertise with community reach to advance the SDGs. These partnerships enhance the University's impact by integrating research, education and outreach, ensuring that its initiatives are socially relevant and globally aligned.

Best Report 1 (Student Volunteering Programme): Evidence of Event with NGO Collaboration

Name of the Event: "Health Awareness Talk and Medical Check-up Programme"
Collaborating NGOs: Senior Citizen Forum, Jaipur and Ajitgarh Nagrik Parishad, Jaipur
Date of the Event: 14.12.2025
Venue: MGH Baldwa Clinic Centre, Jaipur
Organised by: Mahatma Gandhi Physiotherapy College (MGPC), with Mahatma Gandhi Hospital and Baldwa Clinic Centre
Resource Person: Dr. Pragya Dadhich (PT)
Participants: Senior citizens and local residents; MGPC faculty and student volunteers

The primary objective of the programme was to promote **awareness of preventive healthcare and healthy lifestyle practices** among senior citizens, to provide **preliminary medical assessments**, and to encourage **early recognition of health problems** and timely consultation.

Event Overview:

Mahatma Gandhi Physiotherapy College, with Mahatma Gandhi Hospital and Baldwa Clinic Centre, held a health awareness talk and medical check-up programme together with two citizens' organizations – the Senior Citizen Forum, Jaipur, and Ajitgarh Nagrik Parishad, Jaipur. The NGOs

mobilized senior citizens and local residents, while the University's faculty and student volunteers gave a preventive-health talk, carried out preliminary clinical assessments and advised participants on healthy lifestyle practices and timely medical consultation.

Highlights of the Programme:

- Preventive-health talk by **Dr. Pragya Dadhich (PT)** on healthy ageing and lifestyle.
- **Free preliminary clinical examination** of senior citizens and community members.
- Advice on **early consultation and follow-up** for participants with possible health concerns.
- Supervised **student volunteering** in community health service.

Outcome and Impact:

- Senior citizens and community members received **free health education and clinical examination**.
- Participants with possible health concerns were **advised on early consultation**.
- The partner NGOs **formally recognized the University's healthcare professionals and volunteers**.
- The programme strengthened MGUMST's **community partnership** with local citizens organizations for future outreach.

Fig. 1: Health camp with the Senior Citizen Forum and Ajitgarh Nagrik Parishad – the NGOs recognize MGUMST healthcare professionals and volunteers, 14 December 2025

Fig. 2: Clinical examination of a participant during the community health camp, 14 December 2025

Conclusion:

The programme stands as a significant student volunteering initiative in which MGUMST worked with citizens' organizations to bring preventive healthcare to older people, supporting SDG 3 (Good Health and Well-being), SDG 10 (Reduced Inequalities) and SDG 17 (Partnerships for the Goals).

Best Report 2 (Research Programme): Evidence of Research Collaboration with NGOs

Name of the Programme: "Improving Outcomes of Children with Cancer and Haematological Disorders"

Partner NGOs: INPHOG Research Foundation (MoU 2022–2025), with Sanjeevni – Life Beyond Cancer, Mumbai (MoU 2021–2026)

University Unit: Department of Medical Oncology, Sri Ram Cancer & Superspeciality Centre (SRCC), MGMCH

Period: January–December 2025

Nature of Activity: Research through a Hospital-Based Cancer Registry; cost-effective treatment; counselling and patient support

The primary objective of the programme is to **improve survival and quality of life of children with cancer and blood disorders** by systematically recording every patient in a **Hospital-Based Cancer Registry (HBCR)**, following them up over time and using the data to study **treatment outcomes** and improve care protocols.

Programme Overview:

Under its MoU with the INPHOG Research Foundation, a not-for-profit research foundation working in paediatric haematology-oncology, the Department of Medical Oncology carried out HBCR data

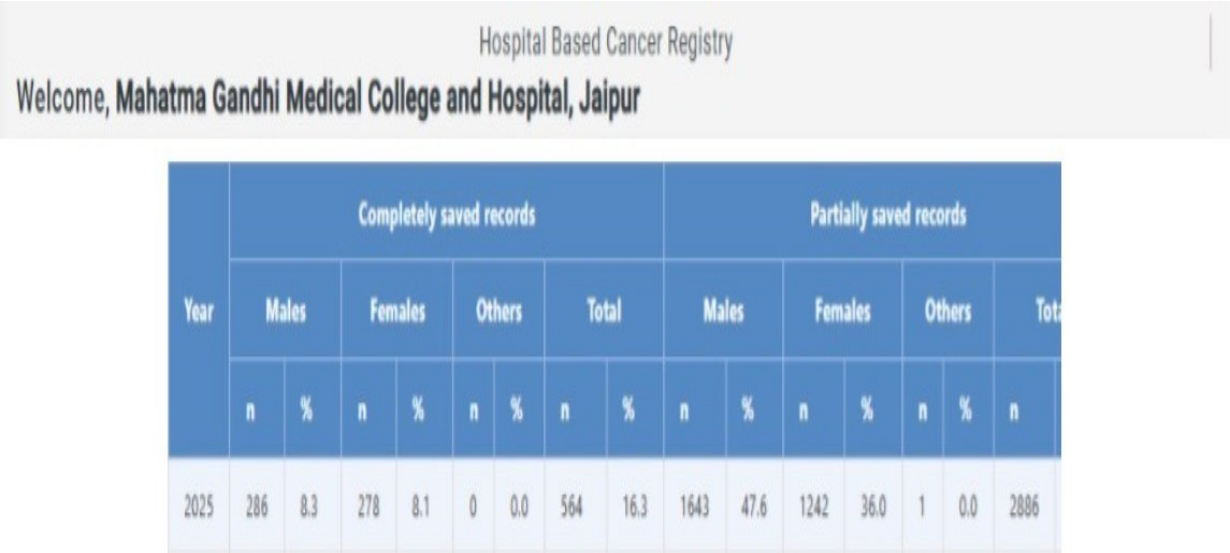

entry, follow-up monitoring and reporting throughout 2025. A second NGO, Sanjeevni – Life Beyond Cancer, a public charitable trust, provided counselling and hand-holding services to patients and families, helping them stay on treatment and attend follow-up. The HBCR dashboard of ICMR-NCDIR shows 3,450 cancer cases entered by Mahatma Gandhi Medical College and Hospital for the year 2025.

Key Activities in 2025:

- **HBCR data entry and follow-up monitoring** of paediatric cancer patients.
- **Registry data collection and reporting** for outcome research.
- **Counselling and support services** for patients and families with Sanjeevni.
- **Christmas celebration with children with cancer** at SRCC with Sanjeevni on 22 December 2025.

Outcome and Research Impact:

- A structured, **research-grade registry** of cancer patients that supports outcome research and **evidence-based protocols**.
- **Better follow-up** of children on treatment, reducing loss to follow-up.
- Access to **cost-effective treatment and psychosocial support** for children from economically weaker families.

Hospital Based Cancer Registry

Welcome, Mahatma Gandhi Medical College and Hospital, Jaipur

Year	Completely saved records								Partially saved records							
	Males		Females		Others		Total		Males		Females		Others		Tot	
	n	%	n	%	n	%	n	%	n	%	n	%	n	%	n	
2025	286	8.3	278	8.1	0	0.0	564	16.3	1643	47.6	1242	36.0	1	0.0	2886	

Fig. 3: HBCR dashboard of ICMR-NCDIR for Mahatma Gandhi Medical College and Hospital showing cases entered for 2025

Fig. 4: Christmas gifts arranged with Sanjeevni for children with cancer, December 2025

Fig. 5: Sanjeevni team with a child and family at SRCC, 22 December 2025

Conclusion:

This research collaboration with NGOs links cancer registry research with patient support, contributing to SDG 3 (Target 3.4 on premature mortality from non-communicable diseases) and SDG 10 by improving care for children from all backgrounds.

Best Report 3 (Development of Educational Resources): Evidence of Event with NGO Collaboration

Name of the Event: Mega Webinar – "Sustainable Practices in Supply Chain Management"
Collaborating NGO: Tata Trusts, Mumbai (philanthropic organization)
Date of the Event: 18.01.2025, 10:00 AM – 11:00 AM
Mode: Online (Microsoft Teams)
Organised by: Mahatma Gandhi College of Hospital Administration (MGCOHA), MGUMST – "Change for Excellence" Webinar Series
Resource Person: Dr. Chandran Vinoth Kumar, Head – Supply Chain Management, Tata Trusts
Coordinator: Dr. Sandeep Narula, Professor, MGCOHA

The primary objective of the webinar was to develop an **online learning resource on sustainability in healthcare supply chains** and to show how sustainability principles can be built into healthcare procurement, inventory and logistics.

Event Overview:

MGCOHA worked with Tata Trusts, one of India's oldest philanthropic organisations, to develop an online learning resource. Tata Trusts' head of supply chain management showed students and faculty how responsible use of resources, waste reduction and environmentally responsible vendor practices can be applied in healthcare. Delivered online, the session was open to learners beyond the campus and forms part of the Change for Excellence series, a continuing educational resource of the college.

Fig. 6: Programme poster of the Mega Webinar delivered by Tata Trusts, 18 January 2025

Outcome and Educational Impact:

- Students and faculty learned **sustainable practices in healthcare supply chain management**.
- An **NGO-delivered module** was added to the Change for Excellence webinar resource series.
- The session promoted **responsible resource use and sustainable procurement** in healthcare (SDG Targets 12.2, 12.5 and 12.7).

Conclusion:

The webinar stands as a significant initiative in developing educational resources with an NGO, supporting SDG 12 (Responsible Consumption and Production), SDG 3 and SDG 4.

Best Report 4 (Research Programme & Educational Resources): Neurophysiocon 2025

Name of the Event: Neurophysiocon 2025 – National Conference on Neuro Physiotherapy
Theme: "Connecting Minds and Movements: Global Perspectives in Neuro Physiotherapy"
Collaborating NGO: Indian Association of Physiotherapists (IAP), a national professional not-for-profit body
Date of the Event: 23–24.11.2025
Venue: R. L. Swarankar Auditorium, MGUMST, Jaipur
Organised by: Mahatma Gandhi Physiotherapy College (MGPC), MGUMST
Participants: 800+ delegates, 20 keynote speakers, 5 panel discussions with 28 resource persons

Event Overview:

MGPC organised Neurophysiocon 2025 in collaboration with the Indian Association of Physiotherapists and the World Physiotherapy community. Academic partners included universities and institutions such as Janardan Rai Nagar Rajasthan Vidyapeeth, Udaipur. The conference brought together researchers, clinicians and students to share evidence and practice in neuro physiotherapy.

Highlights:

- **46 scientific papers and 50 posters** presented by researchers and students.
- Release of the **conference souvenir** and the textbook **"Text Book of Orthopaedic Physiotherapy of the Spine"** (Prof. Dr. Madhusudan Tiwari & Dr. Prakash Pandey).
- Hands-on **workshop on Myofascial Release Technique** by Dr. Sanjeev Kumar Jha (PT), President, IAP, for students and faculty at MGPC on 25 November 2025.

Fig. 7: Inaugural ceremony of Neurophysiocon 2025 with the Indian Association of Physiotherapists, R. L. Swarankar Auditorium, MGUMST, 23 November 2025

Fig. 8: Souvenir of Neurophysiocon 2025, 23–24 November 2025

Fig. 9: Workshop on Myofascial Release Technique by Dr. Sanjeev Kumar Jha (PT), President, IAP, at MGPC, 25 November 2025

Conclusion:

Neurophysiocon 2025 combined research dissemination with the creation of educational resources – a souvenir, a textbook and skill workshops – in partnership with a national not-for-profit professional body, supporting SDG 3, SDG 4 and SDG 17.

Best Report 5 (Student Volunteering Programme): Free Health Check-up and Blood Donation Camp

Name of the Event: "Free Health Check-up and Blood Donation Camp"
Collaborating NGO: Infant's Paradise Shiksha Samiti, Jaipur (registered education society)
Date of the Event: 21.12.2025
Venue: Krishna Nagar, Jhotwara, Jaipur
Organised by: Mahatma Gandhi Physiotherapy College (MGPC), MGUMST, in association with the Samiti
Participants: Community members of Krishna Nagar and Jhotwara; MGPC faculty and student volunteers

The primary objective of the camp was to take **free preventive health services to the community**, provide **physiotherapy consultation**, and encourage **voluntary blood donation** through a partnership between the University and a local NGO.

Event Overview:

Mahatma Gandhi Physiotherapy College organised a free health check-up and blood donation camp in association with Infant's Paradise Shiksha Samiti, a registered education society in Jaipur. The Samiti

mobilized local residents, while MGPC faculty and student volunteers carried out health check-ups, gave physiotherapy consultation and advice, and supported a voluntary blood donation drive in the community.

Highlights of the Camp:

- **Free health check-ups** for community members.
- **Physiotherapy consultation** and advice on posture, pain and mobility.
- **Voluntary blood donation drive** in the community.
- Supervised **student volunteering** in community health service.

Fig. 10: MGPC team with members of Infant's Paradise Shiksha Samiti at the camp, 21 December 2025

Fig. 11: Health check-up and physiotherapy consultation during the camp, 21 December 2025

Outcome and Impact:

- Community members received **free health check-ups and physiotherapy advice** close to home.
- The camp promoted **voluntary blood donation** and community health.
- Students gained hands-on experience of **community service and social responsibility**.

Conclusion:

This student volunteering programme with a local NGO brought preventive health services to the community, supporting SDG 3 (Good Health and Well-being), SDG 10 (Reduced Inequalities) and SDG 17 (Partnerships for the Goals).

Best Report 6 (Research Programme & Educational Resources): THALCON–2025 with an NGO

Name of the Event: THALCON–2025: Inauguration & Dr. Munish K Kakkar Memorial Lecture

Collaborating NGO: South East Asia Institute for Thalassemia (SEAIT), Jaipur – non-profit, apolitical and secular organization (MoU 2022–2032)

Date of the Event: 10.05.2025, 1:00 PM

Venue: R. L. Swarankar Auditorium, MGUMST, Jaipur

Organised by: Mahatma Gandhi Medical College and Hospital, Jaipur, with SEAIT

Speaker: Dr. Frederic Bernard, Consultant & Head, Paediatric and Palliative Care & Pain, Montpellier, France – "Thalassemia – The Journey from Seaside to Gene Editing"

Chief Guest / Guest of Honour: Dr. M. L. Swarankar, Emeritus Chairperson, MGUMST / Dr. Vikas Chandra Swarankar, Chairperson-cum-Chancellor, MGUMST

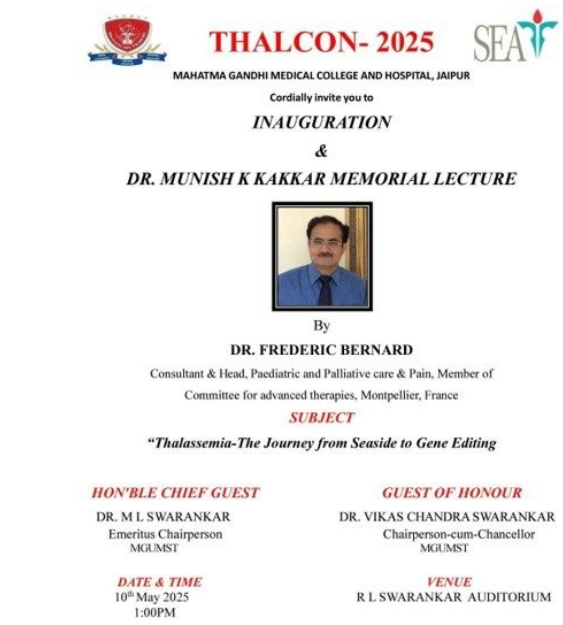

The primary objective of the programme was to share **advances in thalassemia care – from transfusion to gene editing** – with doctors, students and families, and to spread the public message of **thalassemia carrier screening before marriage**.

Programme Overview:

Under its MoU with SEAIT, a non-profit organization working to improve the cure of children with blood disorders, MGUMST runs a joint bone marrow transplant programme for children with transfusion-dependent thalassemia and screens their families for the carrier state. THALCON–2025 brought this research and clinical experience to a wider audience. Prof. Hemant Malhotra of MGUMST also serves as a Medical Advisor on the SEAIT Management Committee.

Research and Educational Outcomes:

- More than **250 bone marrow transplants for thalassemia** completed by June 2025 under the joint programme.
- Publication: **"G-CSF-Primed Bone Marrow Transplantation Experience in 350 Matched Sibling Donor Grafts for Severe Thalassemia"** (Transplantation and Cellular Therapy), Dr. Priya Marwah.
- **Public awareness** on carrier screening before marriage, covered in the press and on social media.
- A memorial lecture by an international expert as an **educational resource** for students and clinicians.

Conclusion:

THALCON–2025 combined research dissemination, public education and a long-term clinical partnership with an NGO, supporting SDG 3 (Good Health and Well-being), SDG 10 (Reduced Inequalities) and SDG 17 (Partnerships for the Goals).

Best Report 7 (Student Volunteering & Educational Resources): World Breastfeeding Week 2025

Name of the Event: World Breastfeeding Week 2025
Collaborating Bodies: Indian Academy of Pediatrics (IAP) and National Neonatology Forum (NNF), Jaipur – not-for-profit professional societies
Date of the Event: 01–07.08.2025
Venue: Mahatma Gandhi Medical College & Hospital, Jaipur
Organised by: Departments of Neonatology, Paediatrics and Obstetrics & Gynaecology, MGMCH
Participants: Mothers in hospital wards; nursing, UG, PG and super-speciality students

The primary objective of the week was to **promote and protect breastfeeding** by counselling mothers, and to strengthen the knowledge of students and nurses who support breastfeeding in the hospital and community.

Event Overview:

World Breastfeeding Week was celebrated by the Department of Neonatology along with Paediatrics and Obstetrics & Gynaecology, in conjunction with IAP and NNF Jaipur. Throughout the week, faculty, nurses and students held breastfeeding counselling and awareness sessions for mothers in the wards, and breastfeeding quizzes were conducted for nursing, undergraduate, postgraduate and super-speciality students.

Highlights:

- **Breastfeeding counselling and awareness sessions** for mothers in hospital wards, including the session of 5 August 2025.
- **Breastfeeding quizzes** for nursing, UG, PG and super-speciality students.
- The **MGMCH nursing team won first place among 10 Jaipur teams** in the NNF breastfeeding quiz at Hope Hospital.

Fig. 18: World Breastfeeding Week 2025 at MGMCH with IAP and NNF Jaipur, August 2025

Fig. 19: Breastfeeding awareness session for mothers, 5 August 2025

Outcome and Impact:

- Mothers received **practical counselling** on breastfeeding and newborn nutrition.
- Students and nurses strengthened their **knowledge and counselling skills**.
- The partnership with IAP and NNF linked hospital practice with **national professional guidance** on infant feeding.

Conclusion:

World Breastfeeding Week 2025 combined student volunteering and educational activities with not-for-profit professional bodies, supporting SDG 2 (Zero Hunger), SDG 3 (Good Health and Well-being) and SDG 5 (Gender Equality).

Other Collaborations with NGOs in 2025

63rd Jaipur Swasthya Charcha, Ajmer – Ajaymeru Press Club, Jain Shwetambar Samaj, Aggarwal Samaj and Lions Club Ajmer Shaurya

The 63rd Jaipur Swasthya Charcha, a series of public lectures and interactions on health, was held on 20 December 2025 at the Ajaymeru Press Club, Vaishali Nagar, Ajmer, in association with four civil-society organisations – Ajaymeru Press Club, Jain Shwetambar Samaj, Aggarwal Samaj and Lions Club Ajmer Shaurya. Moderated by Dr. V. K. Kapoor, with panelists Dr. Priyanka Goel, Dr. Sneha Nathawat and Dr. Vidhi Gupta of MGUMST, the session on Elderly Health was attended by 78 community members.

Rekhi Centre of Excellence for the Science of Happiness – Rekhi Foundation

The first Project Coordination Committee meeting of RCESH was held with the Rekhi Foundation on 17 October 2025 in hybrid mode, deciding on a value-added course on the Science of Happiness, a research laboratory and a World Meditation Day programme.

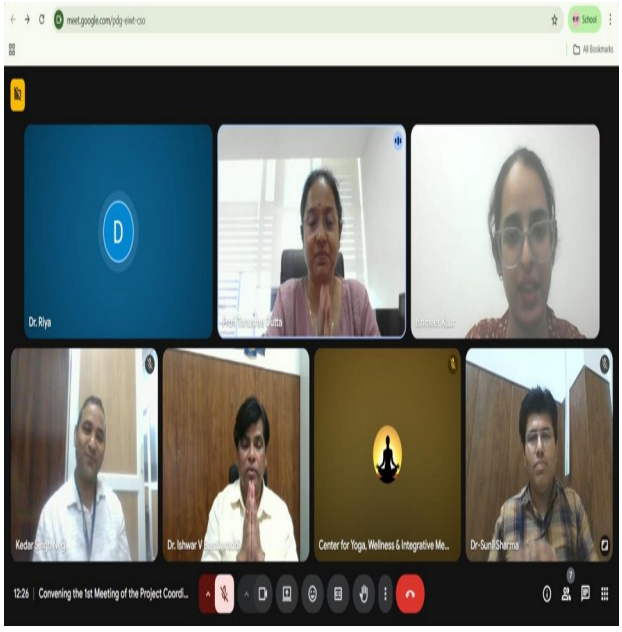

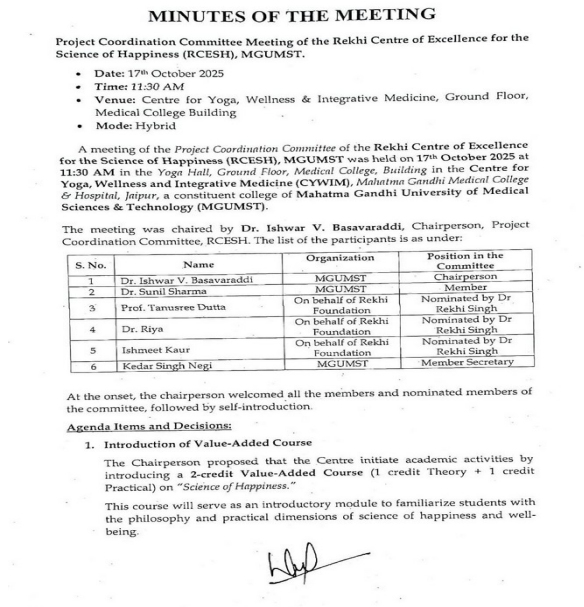

Fig. 23: First Project Coordination Committee meeting of RCESH with Rekhi Foundation, 17 October 2025

MINUTES OF THE MEETING

Project Coordination Committee Meeting of the Rekhi Centre of Excellence for the Science of Happiness (RCESH), MGUMST.

- **Date:** 17th October 2025
- **Time:** 11:30 AM
- **Venue:** Centre for Yoga, Wellness & Integrative Medicine, Ground Floor, Medical College Building
- **Mode:** Hybrid

A meeting of the *Project Coordination Committee* of the **Rekhi Centre of Excellence for the Science of Happiness (RCESH), MGUMST** was held on 17th **October 2025 at 11:30 AM** in the *Yoga Hall, Ground Floor, Medical College, Building* in the **Centre for Yoga, Wellness and Integrative Medicine (CYWIM),** *Mahatma Gandhi Medical College & Hospital, Jaipur,* a constituent college of **Mahatma Gandhi University of Medical Sciences & Technology (MGUMST).**

The meeting was chaired by **Dr. Ishwar V. Basavaraddi**, Chairperson, Project Coordination Committee, RCESH. The list of the participants is as under:

S. No.	Name	Organization	Position in the Committee
1	Dr. Ishwar V. Basavaraddi	MGUMST	Chairperson
2	Dr. Sunil Sharma	MGUMST	Member
3	Prof. Tanusree Dutta	On behalf of Rekhi Foundation	Nominated by Dr Rekhi Singh
4	Dr. Riya	On behalf of Rekhi Foundation	Nominated by Dr Rekhi Singh
5	Ishmeet Kaur	On behalf of Rekhi Foundation	Nominated by Dr Rekhi Singh
6	Kedar Singh Negi	MGUMST	Member Secretary

At the onset, the chairperson welcomed all the members and nominated members of the committee, followed by self-introduction.

Agenda Items and Decisions:

1. **Introduction of Value-Added Course**

The Chairperson proposed that the Centre initiate academic activities by introducing a **2-credit Value-Added Course** (1 credit Theory + 1 credit Practical) on *"Science of Happiness."*

This course will serve as an introductory module to familiarize students with the philosophy and practical dimensions of science of happiness and well-being.

'विश्व स्वास्थ्य दिवस' पर सेमिनार आयोजित

विशेषज्ञों ने दिया समग्र स्वास्थ्य का मंत्र

बेधड़क | जयपुर

विश्व स्वास्थ्य दिवस के अवसर पर मानव सेवा ट्रस्ट राजस्थान और आरोग्य क्लब ने विवेकानंद ग्लोबल यूनिवर्सिटी के ऑडिटोरियम में एक जागरूकता सेमिनार का आयोजन किया। सेमिनार का मुख्य उद्देश्य विभिन्न चिकित्सा पद्धतियों के समन्वय से समग्र स्वास्थ्य और कल्याण को बढ़ावा देना था। इस सेमिनार में स्वास्थ्य कल्याण होमियोपैथिक कॉलेज के प्रो. डॉ. राजीव सक्सेना ने होम्योपैथी के दुष्प्रभाव रहित उपचारों पर चर्चा की, जबकि आयुर्वेद पर से.नि. डॉ. जीतेन्द्र सिंह कोठारी ने संतुलित आहार, जीवनशैली और पंचकर्म के महत्व को रेखांकित किया। एलोपैथी के क्षेत्र में महात्मा गांधी अस्पताल के डॉ. एन.के. टाक ने आधुनिक चिकित्सा की भूमिका पर प्रकाश डाला और नशा मुक्ति के उपायों की जानकारी दी। नेचुरोपैथी के विशेषज्ञ डॉ. मनोज शर्मा ने प्रकृति के तत्वों से उपचार के सरल और प्रभावी तरीके साझा किए। ट्रस्ट के प्रबंध निदेशक कौशल सत्यार्थी ने बताया कि सेमिनार का उद्देश्य यह संदेश देना था कि स्वास्थ्य केवल शारीरिक रूप से रोग मुक्त होना नहीं, बल्कि मानसिक और आत्मिक रूप से भी सशक्त होना चाहिए। विश्वविद्यालय के अध्यक्ष प्रो. एन.डी. माथुर ने इस समागम को विभिन्न चिकित्सा पद्धतियों के सहयोग का उत्तम उदाहरण बताया। आरोग्य क्लब के अध्यक्ष गौरव कुमार ने बताया कि सेमिनार में बड़ी संख्या में छात्र, शोधार्थी और शिक्षाविद् उपस्थित थे, जिन्होंने विषय में गहरी रुचि दिखाई। इस अवसर पर प्रो. डॉ. एस.के. मीना, प्रो. डॉ. भूपेश गोयल, प्रो. डॉ. महेंद्र वर्मा, प्रो. डॉ. शालिनी दीक्षित, गौरव कुमार, कृष्णा पोद्दार, अवंतिका, शिल्पी, बर्नाली, मुन्तेहा, नवीन फ्रांसिस, नीलम सहित अन्य गणमान्य लोग भी उपस्थित थे।

VASEL 2025 – Vietnam Association of Surgery and Endo-Laparosurgery

Four MGUMST faculty shared multidisciplinary cancer and surgical care expertise at the VASEL 2025 conference in Thai Nguyen, Vietnam, in November 2025.

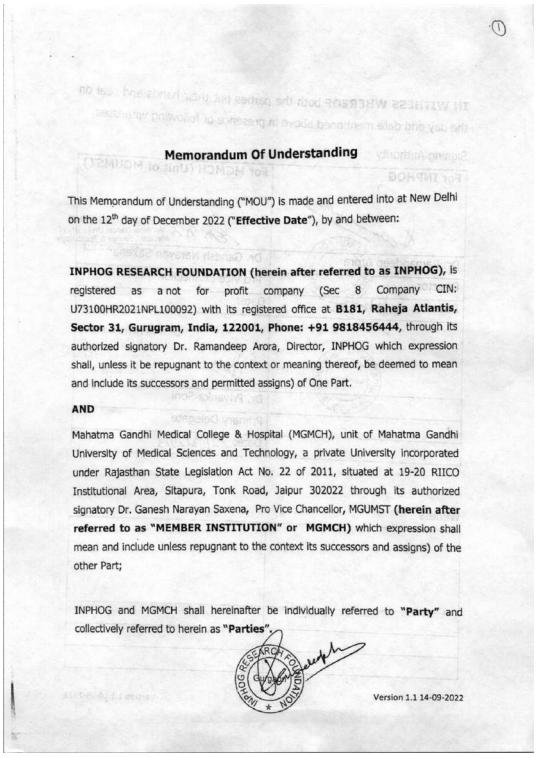

Fig. 54: Dr. Anushree Loyal, Radiation Oncology, MGUMST, presenting at VASEL 2025, Vietnam, November 2025

Conclusion:

By partnering with NGOs, MGUMST gains access to community networks, grassroots knowledge and specialized capabilities that make its SDG-focused initiatives more effective. In 2025, citizens' groups helped the University hold health camps for senior citizens, foundations supported cancer research and patient care, and philanthropic and professional bodies helped create training and learning resources. Through shared infrastructure, joint activities and coordinated outreach, these collaborations bridge gaps between research, education and community needs, advancing SDG 3, SDG 4, SDG 10 and SDG 12 and reflecting the heart of SDG 17 – working together to build stronger systems that uplift people and the planet.

MEMORANDUM OFUNDERSTANDING
Between
Mahatma Gandhi Physiotherapy College (MGUMST)
Jaipur, 302022, Rajasthan
and
Rajasthan Chartered Association of Physiotherapy (RCAP)

Whereas the above-name institutions
Recognize that Memorandum of Understanding (MOU) would be of mutual benefit and would serve as an indication of continued interest in academic cooperation, it is understood that:

1. Each institution will promote one or more of the following activities based on their respective Academic and Industrial needs:
   A. Organize Physiotherapy Camps in Community [√]
   B. Research and Development [√]
   C. Community Training & Visits [√]
   D. Organizing Academic Meetings/ Continuing Physiotherapy Education Programs [√]
2. Specific exchanges or activities that may be developed under the framework of this MOU shall be mutually discussed and agreed upon in writing by both parties prior to the initiation of that activity. Terms of cooperation and details of exchanges, joint programs or activities are to be developed through bilateral discussion and agreement on a case-by-case basis and attached as additions succeeding to the signing of this MOU. Each institution further agrees to appoint respective coordinators at the appropriate time for the specific activities agreed upon.

Annexure 3: Policy / SoP for MoUs and Collaborations

MoUs and collaborations at MGUMST, including those with NGOs and not-for-profit bodies, are governed by the University's **Policy Document on Institute–Industry Partnership (IIP)**. The policy applies to all constituent colleges and covers partnerships in medical sciences, technology, health management, allied health, informatics and innovation.

Standard operating procedure for an MoU (Section 7 of the policy)

Step	Responsibility	Action
1	Initiating faculty member	Submits the request on the General Information Form (Annexure-I) with a draft MoU, classed as academic without financial involvement or academic with financial involvement
2	Head of Department	Reviews and countersigns the draft
3	Dean / Principal	Reviews and approves

Step	Responsibility	Action
4	Head, IIP Cell	Examines and forwards
5	Legal Cell	Vets legal compliance
6	Finance Officer	Assesses financial implications
7	Registrar	Reviews and forwards
8	Pro-President	Reviews and recommends
9	President, MGUMST	Gives final approval
10	Registrar and Principal Investigator	Registrar signs and stamps the final MoU, co-signed by the PI

The IIP Cell allows four weeks for revisions and deliberation. A **MoU Advisory Committee** of senior faculty and partner experts is formed for each MoU to guide the partnership and review its progress every year. Outcomes are tracked through the number of MoUs, internships, visits and workshops, joint projects, placements and feedback, and the policy is reviewed periodically by the IIP Advisory Committee.
