

THE COLLEGE POST

Mahatma Gandhi College Of Hospital Administration

Saturday 19th April, 2025

It ensures inclusivity, safety, and wellness through accessible design and on-campus health services.

Research is a cornerstone at MGCOHA. Faculty and students contribute to Scopus and UGC Care-listed journals on topics like patient safety, organ transplants, and hospital quality management. Students are engaged in hands-on dissertation and PhD projects, supported by experienced mentors.

The college promotes real-world impact through consultancy services, faculty-led training, and partnerships with healthcare organizations. Regular guest lectures, industry visits, and innovation through the Incubation Cell enrich student learning.

The MHA program, open to students from diverse academic backgrounds, emphasizes peer learning, leadership development, and connected education. Alumni mentoring, rigorous field training, and collaborative projects ensure graduates are job-ready and future-focused.

MGCOHA aligns with NEP 2020 and is the first in Rajasthan to do so.

BREAKING GROUND: THE RISE OF MGCOHA

Mahatma Gandhi College of Hospital Administration (MGCOHA), part of MGUMST, Jaipur, is dedicated to developing leaders in healthcare administration. With a focus on academic excellence, ethics, and practical exposure, MGCOHA offers postgraduate (MHA), and doctoral (PhD) programs. Its mission is to prepare professionals who are not only skilled but also compassionate and service-driven.

MGCOHA has been recognized as the "Most Emerging College in Hospital Administration" in Rajasthan (2022, Crown Awards) and boasts a 100% placement record. Students are trained through a unique Hospital Immersion Program at Mahatma Gandhi Hospital, gaining real-world insights under the mentorship of working professionals and alumni.

The college provides a modern infrastructure with smart classrooms, a well-stocked library, digital resources, ERP-based course delivery, IT-enabled services, sports facilities, counselling, and sustainable campus initiatives.

VISION

To be a leading center of excellence in hospital administration education, fostering innovative leaders committed to transforming healthcare delivery and improving patient outcomes.

MISSION

- Educational Excellence
- Leadership Development
- Research and Innovation
- Collaboration and Partnerships

MOMENTS THAT MATTER

The campus has been replete with student-led activities that celebrate culture, community, and provide a break from academic routines. **Patient Safety Day** focused on the importance of safety in healthcare settings, with students presenting impactful posters. **The Diwali Celebration** in October showcased creativity, with intricate rangolis, artistic posters, and fashion show walk-offs. **The Christmas Celebration** in December showcased innovation and creativity, with no-flame cooking and best-out-of-waste décor. **The Sports Day** in February was filled with teamwork and friendly rivalry, with chess, carrom, relay races, and cricket. The true highlight of these events has been the camaraderie, creativity, and community spirit shown by students. These events remind us that the heartbeat of campus life lies in shared moments, spontaneous laughter, and the joy of coming together.

MGCOHA has been focusing on academic excellence and industry relevance by hosting various events and interactive learning platforms. A four-day **Management Development Program** on Strategic Leadership in Healthcare was conducted from November to December 2024, providing participants with advanced insights into strategic thinking and leadership in the healthcare sector.

Monthly webinars under the banner "**Change for Excellence**" were hosted from September 2024 to February 2025, addressing evolving trends in healthcare and management. **Faculty Development Initiatives** included sessions on "**Challenges and Opportunities in Publishing Papers**" and "**Contemporary Advancements in Management Research.**" **Guest lectures and expert talks** from distinguished professionals were also held, including

- **Dr. Swapnil** on Artificial Intelligence in Healthcare,
- **Dr. Kalpana Bindal** on Risk Management in Hospitals,
- **Dr. Shakul Shrivastava** on Careers in the Pharma Sector, and
- **Dr. Samar Ghosh** on Vitamin D3 Strategy under Make in India.

MGCOHA also organized multiple rounds of **Health Informatics & Management Combined Rounds (HIMCR)** to foster interdisciplinary dialogue.

Students also had the opportunity to **visit the Rural Health Training Centre, Vatika**, and participate in an orientation session on the MHA program. **An online panel discussion on International Women's Day** (08 March 2025) offered a platform to reflect on gender equity in healthcare and leadership.

BRAINS & BREAKTHROUGH

The MGCOHA Edge

STUdenTS ACHievements

MGCOHA students have shown enthusiasm and potential through active participation in academic, cultural, and professional development platforms. **Ishita Soni and Rahul Sharma** won 2nd prize in the T-shirt Painting Competition at the Intercollege Fest. **The MHA 2024 pass-out batch** achieved successful campus placements, reflecting industry trust in academic and practical training. **MHA students** underwent hands-on training in hospitals, gaining firsthand insight into operations, administration, and quality care practices.

Mahender Kumar, Ananya, Surbhi, Tamheed, Suhail Khan, and Tavleen Kaur participated in the Quality Conclave organized by CK Birla Hospital, Jaipur, providing valuable learning experiences. These achievements highlight MGCOHA's emphasis on experiential learning and academic excellence.

NOT with OUR fUn- lOving,
fRiendLY TeaCHeRS aROUND!"

Beyond The Walls

Journeys, Updates & Collaborations

Academic Collaborations Strengthened

MG College of Hospital Administration (MGCCHA) has recently signed MoUs with two esteemed institutions—**IIHMR Delhi** and the **Consortium of Accredited Healthcare Organizations (CAHO)**.

Coordinated by Ms. Geetika Goswami, the IIHMR Delhi partnership aims to boost academic exchange and professional growth. The MoU with CAHO, signed on April 13, 2025, focuses on research, capacity building, and curriculum development, with the signing led by Vice-Chancellor Prof. Achal Gulati alongside Dr. Lallu Joseph and Dr. Vijay Agarwal from CAHO.

These collaborations mark a significant step in MGCCHA's journey toward academic and healthcare excellence.
