Certificate

This is to certify that Mr. Krishna Kumar Sharma, M.Sc. Hospital and Health Information Administration student at Mahatma Gandhi Institute of Health Informatics, MGUMST Jaipur, undertook a one-month student internship program at the Division of Medical Informatics (DMI), St. John's Research Institute (SJRI), Bangalore, India, for the duration of 16th August 2022 to 14th September 2022.

As part of the internship program, Mr. Krishna was familiarised with key research studies the DMI is undertaking (as use cases of how technology is used to address problems in healthcare), the basics of research methodology, and prime digital tools used in research. A few digital components that he learned include digital health tools used in rural settings; institutional research data capture system; and M-health applications for research studies (processes of needs assessment, heuristic evaluation, and story boarding processes). He was also trained on the basics of research methodology including doing a literature review and scientific search (on Pubmed); data capture, cleaning, and analysis processes; referencing tools (Mendeley); process of validating health technology innovations; etc.

Mr. Krishna has also undergone hands-on activities using the aforementioned digital tools to familiarize himself. Following the completion of his internship, he provided a presentation to summarise his internship activities at SJRI.

Mr. Krishna's performance during the Internship was satisfactory. We take this opportunity to wish Mr. Krishna Kumar Sharma all the best in his future endeavours.
