**Course Director's report:**

**Number of participants: 17**

**Number of participants from the hospital: 9**

**Out of hospital participants: 7**

**Out of City participant: 1**

**Day 1 programme started on time and went on smoothly; day 2 programme was delayed by 30 min due to heavy rains.**

**There was positive interaction between the participants and faculty.**

**11 participants scored more than 84% in written exam.**

**2 participants scored 70 % and rest between 77 – 82.5%**

**The two who scored 70% had consistently below average performance so were counseled and not given certificates.**

**Those who scored between 77-82.5 % performed fairly well at skill stations. Those who required remediation were remediated during the skill stations.**
