About Us

Mahatma Gandhi University of Medical Sciences & Technology

Mahatma Gandhi University of Medical Sciences and Technology (MGUMST), from its inception till today, as a 1450 bedded multispecialty Hospital along with Medical, Dental, Nursing and Physiotherapy College has revolutionized the private sector in medicine. As a university we aim at taking the education of medicine, the practice of medicine and medical research to its finest. This effort and direction has been made not only at state level but nationwide.

Mahatma Gandhi Physiotherapy College

Mahatma Gandhi Physiotherapy College was established in the year 2005. Since 2011, it is the constituent college of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur. Master in Physiotherapy (MPT) program was started in the college w.e.f. the year 2012 & PhD program started in the year 2016. We offer MPT program in 4 specialties MPT(Ortho.), MPT (Neuro.), MPT(Cardiopulmonary) & MPT(Sports). MG Physiotherapy College is attached with Mahatma Gandhi Hospital (MGH) which is over 1450 bedded multi-specialty & super specialty hospital. Our college have well-equipped Physiotherapy Laboratories, departments & OPD. Physio-therapeutic services in MGH are provided by our qualified & experienced faculty members. Since the beginning our college has consistently worked towards elevating academic standards in the field of Physiotherapy & Rehabilitation. Mahatma Gandhi Physiotherapy College is the five-star rated Post Graduate Physiotherapy college recognized by "Indian Association of Physiotherapists" (IAP).

Achievements

Mahatma Gandhi Physiotherapy College is the five-star rated Physiotherapy college recognized by "Indian Association of Physiotherapists" (IAP).

Programs Offered:

Bachelor of Physiotherapy (BPT)

A Bachelor of Physiotherapy (BPT) is an undergraduate degree program that focuses on the study of physical therapy and rehabilitation. Physiotherapy is a healthcare profession that involves assessing, diagnosing, and treating individuals with various physical conditions and disabilities. The goal of physiotherapy is to restore and maintain optimal functioning, mobility, and well-being.

1. **Duration:** The program typically lasts for 9 Semesters (8 semesters + 6 months Internship), and students are awarded a Bachelor's degree upon successful completion.
2. **Eligibility:** 10+2 with PCBE with 45% marks for General & 40% for SC/ST/OBC

Masters of Physiotherapy

A Master of Physiotherapy (MPT) is a postgraduate degree program that builds upon the foundational knowledge and skills gained during a Bachelor of Physiotherapy or a related undergraduate program. The MPT program is designed to provide advanced education and training in physiotherapy, allowing graduates to further specialize in specific areas or enhance their clinical expertise. Here are some key points about a Master of Physiotherapy program:

Streams of Master in Physiotherapy

- Master of Physiotherapy (Orthopaedics)
- Master of Physiotherapy (Cardio Pulmonary)
- Master of Physiotherapy (Neurology)
- Master of Physiotherapy (Sports)

1. Duration: 4 Semesters
2. Eligibility: BPT full time (including 6 months compulsory rotatory internship) with at least 50% marks in aggregate.

PhD (Physiotherapy):

A Doctor of Philosophy (PhD) in Physiotherapy is a doctoral-level academic degree that represents the highest level of education and expertise in the field of physiotherapy. Individuals pursuing a PhD in Physiotherapy are typically interested in contributing to the advancement of knowledge through original research, often with the goal of addressing gaps in current understanding, improving clinical practices, or contributing to the development of new therapeutic approaches.

Duration: Full time-3 years.
Part time-4 years

Eligibility: MPT with 55% marks for General & 50% marks for SC/ST/OBC or equivalent GPA in MPT from any recognized Indian Universities.
